

Weave a Mug-Mat

Materials:

- 1 piece of 8" x 8" cardboard with 10 to 12 evenly spaced short notches cut into 2 opposite sides - this is your LOOM
- 12' to 15' twine or yarn - this is your WARP
- pieces of rag cloth, cut or torn into narrow (1/2") strips - these are your WEAVERS

1. Starting in one corner of the cardboard, wrap the twine or yarn around the Loom. Be sure that the Warp goes into each notch, and is not so tight that it makes the cardboard bend. After the warp
