Resuming Studio Operations SOP

The studio or shop supervisor should fill in this SOP template with their worksite specific policies and have all personnel review and sign this document before resuming operations. By following best practices and the guidelines below, we can help to keep our students, faculty, staff, and community safe.

Standard Operating Procedure

Title: Studio Procedures to Prevent the Spread of C K s / -9

"I have read and understand this SOP and I agree to fully adhere to its requirements."
